2020 Census Operational Quality Metrics

My questions

Are there any Census Operational Quality Metrics that the Census Bureau did not meet and what were the lessons learned?

2020 Census Operational Quality Metrics

My questions

If you had to do the 2020 Census over again, from an operational standpoint, how would you have done it differently?

2020 Census Operational Quality Metrics

My questions

What are the lessons learned from the 2020 Census operational plan that we can take away, as attention begins to turn towards 2030 Census planning?

Thank you!
